

## **RENAME “TALISMAN RESORT” CONTEST**

The new owners are breathing new life into the former Talisman Resort and Conference Centre while also expanding and altering the amenities to be offered to patrons. They are sponsoring a contest to select a different name which best reflects the changes in character of the reborn facility, as well as the beautiful natural environment.

The owners' plans are to retain and restore the historic buildings and create a four seasons Conference Centre and Inn, which will serve as a base for outdoor recreational activities. Amenities of the refurbished facility will include restaurants, a Wellness Centre and Spa and the golf course will be restored to operation.

Participants and/or their families must own or rent property in the Municipality of Grey Highlands to be eligible to enter the Contest. There is a limit of two (2) submissions per family. An adult must co-sign for participants under 18 years of age. Members of Council, the Clerk and the CAO and their families are not eligible.

A panel of judges, including representatives of the new owners and the Beaver Valley community, will select the winning entry. Their decision will be final and name suggestions and the winning name will be the property of the resort owners. In the case of duplicate winning names, a draw will be held to determine the final winner.

The winner will receive a weekend for two at the new facility including all meals, use of the Spa and other recreational activities. Runner up prizes also will be awarded.

The Contest will begin on September 15, 2014. All entries must be received by November 15, 2014. The winner will be announced at the KCA's “Kristmas in Kimberley” Party on December 6, 2014.
