

Grey Highlands treasurer becomes CAO

Former Grey Highlands treasurer/director of finance Karen Mills was appointed to the position of CAO for the municipality on Oct. 2.

She has been Acting CAO since the resignation of Rob Adams in June to accept a position at the Town of Whitchurch-Stouffville.

Mayor McQueen said in a press release that “the past four months as Interim CAO has shown all of us what Karen is capable of

and what she brings to the table.”

He praised her personal attributes of “integrity and a strong moral compass along with a combination of experience and enthusiasm.”

Ms Mills has been with the municipality since 2017. She worked within the finance department at the town of Orangeville for 14 years, during the time that Mr. Adams was Mayor there. She also has experience in

finance in the private sector.

Ms Mills said she was honoured to receive the appointment, especially at this time. “Great things are happening in Grey Highlands and I am privileged to be a part of it.”

She said she would focus on continuing the strong leadership and creative culture at the municipality, with responsible decision-making that involves the community.
